

# ChemLINE®

Come to the APC Exhibit June 11-13, 2018,  
Booth # 441 at ILTA 2018 and Experience the  
ChemLINE® High Performance Solution.

## *Need A High Performance Tank Lining For All Types Of Aggressive Chemicals?*

*There is great risk of corrosive attacks by volatile products contained in bulk liquid storage facilities.* That is why tank operators choose the reliable ChemLine® polymer-based coating from Advanced Polymer Coatings. ChemLine® provides superior chemical resistance to thousands of aggressive chemicals including H<sub>2</sub>SO<sub>4</sub>, Waste Acids, 37% HCL, Acetic Acid, Caustic Soda, Solvents, Hot Oils, Fracking Materials, Brine, and many others.

June 11-13, 2018

**ILTA 38th Annual International  
Operating Conference & Trade Show**  
*Houston, Texas*

ILTA's annual international operating conference and trade show offers unparalleled opportunities for terminal professionals and vendors alike. It brings together more than 4,000 people to learn, network, and share best practices. The conference features in-depth presentations by industry experts on effective solutions for improving terminal operations and the latest in products, services and technologies. We look forward to seeing you there!
