

All roads lead to Houston

ChemLINE®

Visit the ChemLine® Exhibit, for one day only, at the  
**Coating Society of the  
Houston Area Annual Trade Show**

**See us Friday April 21, 2017, at Booth #29**

Pasadena Convention Center, Campbell Hall, Pasadena, Texas

*Discover the latest in corrosion control technologies, featuring products, services and equipment, PLUS a great entertainment environment with a live band, door prizes, and crawfish boil! Learn more.*

**Presenting high performance industrial ChemLine® coatings for aggressive applications.**

Stop by the ChemLine® exhibit from Advanced Polymer Coatings to see the latest in high performance corrosion protection. ChemLine® coatings are engineered using unique patented polymer technology to deliver excellent resistance to a wide range of aggressive exposures, including strong acids, alkalis, gases, solvents and oxidizers. [Visit the APC website for more information.](#)
