

Visit with MarineLine®
from June 4-8, 2018
at Posidonia 2018 in Greece

MarineLINE®

See us at Hall 2, Stand No. 2.356

We look forward to your visit to learn about the latest developments of the MarineLine® cargo tank coating system for chemical and product tankers.

You will be able to meet and talk with representatives from Advanced Polymer Coatings at the event, held at the Metropolitan Expo Centre.

More than 90 countries will be represented at Posidonia 2018 where the international shipping community comes together for this prestigious maritime event, representing shipbuilding and ship repair yards, shipping registers, ship brokers, and other related organizations. Visit the website: <http://www.posidonia-events.com/>

MarineLine® cargo tank coatings provide versatility for a wide range of cargoes.

If you have any questions about MarineLine® or would like to receive a quote for your next cargo tank lining project, contact your MarineLine® representative.
